Very Important Statewide Proposals

Prop 1 NO	I have the RIGHT to govern myself and I don't believe in taxation without representation or dictators, so I am voting NO on Proposal 1.
Prop 2 YES	I have the RIGHT to negotiate my work hours, conditions, wages and retirement, so I am voting YES on Proposal 2.
Prop 3 YES	I have the RIGHT to stop being dependent on one source of energy and create more jobs for Michigan, so I am voting YES on Proposal 3.
Prop 4 YES	I have the RIGHT to protect seniors and people with disabilities and give them access to trained, safe, in-home care, while protecting the collective bargaining rights of in-home health care workers, so I am voting YES on Proposal 4.
Prop 5 NO	I have the RIGHT <u>not</u> to be held to an unfair tax system in which corporate special interests avoid paying their fair share while workers and retirees pay more; and children suffer as a result, so I am voting NO on Proposal 5.
Prop 6 NO	I have the RIGHT to tell Grosse Pointe Billionaire <i>Manuel "Matty" Moroun</i> to go sit down and stop trying to monopolize commerce between Canada and Michigan. I have the RIGHT to want more jobs for Michigan and compete for trade revenue, so I am voting NO on Proposal 6.

I'm going to stop watching those commercials and vote my own best interest!

Get to Know the 3 Supremes

Chief Judge Shelia Johnson: Southfield District Judge Shelia Johnson created a community program to work with teens to deter criminal behavior and encourage positive career choices. As a judge, Shelia has imposed tough sentences to ensure families are protected from violent criminals. For 18 years, she defended the rights of individuals as a lawyer. She understands the need to be fair and impartial. On the Supreme Court, Shelia will uphold the law with strength and integrity for Michigan families.

Judge Connie Marie Kelley: Wayne County Circuit Court Judge Connie Kelley is a mother of two who created a youth mentoring program for at-risk girls to help them achieve their full potential. Connie has demonstrated a common-sense and tough on crime approach to resolving family issues on the bench. As a lawyer, she fought for the rights of women and workers, taking on sexual harassment and discrimination cases. Connie will bring this important experience and understanding to the Supreme Court.

Professor Bridget Mary McCormack: University of Michigan Law Professor Bridget McCormack, a mother of 4, founded the Pediatric Advocacy Clinic which promotes the health and well-being of children and families. Bridget has spent her career fighting as an advocate, representing clients who would otherwise have no access to the legal system. She is willing to take on any fight to ensure individuals have the same rights as the powerful special interests. Bridget will bring integrity and fairness to our court.

Restore Justice to the Michigan Supreme Court

Those who forsake the law praise the wicked, but those who keep the law strive against them.

-Proverbs 28:4

Evil men do not understand justice, but those who seek the Lord understand it completely.
